

Registration:

The library can be personally used only with library card, daily card or annual visitor (internet) card. Our readers with **library card** can use the full spectrum of our services.

Documents required to request the library card are the following:

- ID card (or passport/driving license),
- address card,
- foreign citizens: passport/driving license and residence permit,
- minors: parental warranty.

In case of discounts:

- students – student card,
- pensioner – retirement card,
- other discount – document that justifies the right for the discount.

Our registered readers can use – after extra registration but without further registration fee – not just the Centre for Learning but the services of the whole network of the Csorba Győző Library and the University of Pécs Library and Centre for Learning.

The library card is not transferable. It is valid for 6 or 12 months effective from the date of issue. (In case of students the validity is the next 31 October.) The validity can be personally prolonged by the library user with the submission of their documents and payment of the membership fee. (If appropriate it is possible to enrol or to check out documents by proxy.) The library card must be kept after it expires and should be brought to the next registration.

The condition of membership extension is the settlement of all actual debts towards the libraries of the Csorba Győző Library and the University of Pécs Library and Centre for Learning.

The loss of the library card must be reported immediately then in order to avoid the abuse, the library deletes it from its system. The replacement of lost or damaged library card costs HUF 1.000.

The free **daily ticket** entitles to single admission and local use of the documents. The **annual visitor (internet) card** costs HUF 1.000 and provides not just local but full use of the technical services (computers, internet, WI-FI, subscribed databases, reprographic equipment).

For those who can remotely use the online services of the library, **free online registration** is allowed on our home page (www.tudaskozpont-pecs.hu). Use of the library/online registration). The citizens of the University of Pécs receive their library card number and password via e-mail after they filled the electronic form. With this ID they can remotely access the databases subscribed by the University of Pécs.
